SUMMARY

Motivated and detail-oriented Pharmacy student at Addis Ababa University with a growing background in full-stack web development through the Power Learn Project (PLP). Skilled in HTML, CSS, JavaScript, Python, and SQL, with hands-on experience in the MERN stack and data analysis. Strong communicator and team player, eager to apply technical and analytical skills to real-world projects. Committed to continuous learning, professional growth, and creating solutions that improve user experience and efficiency.

OBJECTIVE

Pharmacy student with growing expertise in full-stack web development, seeking to apply programming and analytical skills to enhance healthcare services. Committed to improving patient outcomes through innovative technology solutions while contributing effectively in a dynamic team environment and continuing to expand technical knowledge.

LANGUAGES

- English
- Amharic

SKILLS

- Data Analysis using Python Libraries
- Frontend Website Development
- Python with Flask and Django Framework
- Python
- SQL
- Javascript
- CSS and CSS3
- Team Work
- Advanced HTML5

PROFESSIONAL EXPERIENCE

PHARMACY 3RD YEAR STUDENT

Addis Ababa University. Ethiopia- Addis Ababa | Nov2023 – present

Currently studying core pharmacy courses, building a strong foundation in pharmacology, clinical practice, and healthcare systems.

FULL STACK WEB DEVELOPMENT MERN STACK, STUDENT

Online. Online | July2025 – March2026

Developed and maintained responsive web applications using the MERN stack (MongoDB, Express.js, React.js, Node.js). Designed user-friendly interfaces, implemented RESTful APIs, and optimized application performance. Conducted code reviews and troubleshooting to enhance overall functionality.

EDUCATION

HIGHSCHOOL DIPLOMA

Lideta Catholic Cathedral School. Addis Ababa | Sep2021 – Jun2023

Completed comprehensive high school curriculum, emphasizing critical thinking, problem-solving, and teamwork. Engaged in various extracurricular activities, enhancing leadership skills and community involvement. Developed proficiency in core subjects including mathematics, science, and language arts, preparing for future academic and career pursuits. Also gained a score of 506 out of 700 from University Entrance National Examination.

FULL STACK WEBSITE DEVELOPMENT MERN STACK

Power Learn Project. Online, institution based in Kenya | July2025 – Dec2025

Developed dynamic, responsive web applications using the MERN stack (MongoDB, Express.js, React, Node.js). Gained hands-on experience in building RESTful APIs, implementing user authentication, and managing databases. Enhanced problem-solving skills and collaborated on projects to create efficient and user-friendly interfaces.

BACHELOR OF PHARMACY

Addis Ababa University. Addis Ababa Black Lion Hospital | Sep2023 – Jun2027

Engaged in comprehensive studies of pharmaceutical sciences including pharmacology, medicinal chemistry, and pharmacotherapy. Conducted laboratory experiments, participated in clinical practice, and gained hands-on experience in medication management and patient counseling. Developed strong analytical and problem-solving skills essential for pharmacy practice.

COURSES AND CERTIFICATES

FULL STACK WEB DEVELOPMENT (MERN) STACK, SQL, FRONTEND WEB DEVELOPMENT, PYTHON AND DATA ANALYSIS WITH PYTHON

Power Learn Project. Online-kenya | Jul2025 – present

Completed a comprehensive course in modern web development using MongoDB, Express, React, and Node.js. Developed projects including a Community Pharmacy Reminder App, a personal Portfolio Website (accessible via the QR code above), and several interactive web applications. Emphasized responsive design, backend optimization, and collaborative development practices throughout the program. Successfully earned certification, with the course concluding in March 2026.

LEARN PYTHON FROM A UNIVERSITY PROFESSOR

Udemy. Udemy | Aug2025 – Sep2025

BELETE GEBREYES, Mathematics Teacher
Mathematics Teacher, Lideta Catholic Cathedral School
beletegebreyesofficial@gmail.com

REDIET ASFAW, It Teacher and Department Head
It Teacher and Department Head, Lideta Catholic Cathedral School
redietasfawofficial@gmail.com

Completed an intensive course on Python programming led by a university professor, focusing on core concepts such as data structures, algorithms, and object-oriented programming. Developed practical skills through hands-on projects, enhancing problem-solving abilities and gaining proficiency in writing efficient and scalable code.

ADVANCED HTML5

Memo. Memo | Aug2023 – Sep2023

Completed an Advanced HTML5 course, focusing on the latest HTML5 features and APIs for developing modern web applications. Gained expertise in semantic markup, multimedia integration, canvas, local storage, and responsive design techniques, enhancing my ability to create interactive and user-friendly websites.

ADVANCED CSS AND CSS3

Memo. Memo | Aug2023 – Sep2023

Completed an Advanced CSS and CSS3 course, focusing on complex layout techniques, animations, and transformations. Gained expertise in responsive web design, utilizing Flexbox and Grid systems, and enhancing user interface aesthetics through advanced styling techniques. Developed skills in cross-browser compatibility and best practices.

SQL

Memo. Memo | Aug2025 – Sep2025

Gained proficiency in SQL for data management and analysis, including querying databases, data manipulation, and reporting. Developed skills in writing complex SQL queries, optimizing database performance, and implementing relational database design principles to enhance data integrity and accessibility.

LEVEL A1 TO C1 IN ENGLISH ON BUSUU

Busuu. Busuu | Sep2023 – Oct2023

Completed Level A1 to C1 English course on Busuu, focusing on comprehensive language skills through interactive exercises, grammar practice, and vocabulary enhancement. Engaged in real-life conversations and writing tasks, improving fluency and confidence in both spoken and written English.

GETTING STARTED WITH JAVASCRIPT FOR BEGINNERS

Udemy. Udemy | Aug2025 – Aug2025

Completed a comprehensive course on JavaScript fundamentals, covering essential programming concepts such as variables, data types, and control structures. Developed hands-on skills through interactive coding exercises and projects, enhancing problem-solving abilities and foundational knowledge in web development.

CSS

Programming Hub. Programming Hub | Sep2023 – Oc2023

Acquired expertise in Cascading Style Sheets (CSS), focusing on web design and layout techniques. Developed skills in styling HTML elements, implementing responsive designs, and ensuring cross-browser compatibility. Gained experience in enhancing user experience through effective visual design and navigation strategies.

JAVASCRIPT

Programming Hub. Programming Hub | Sep2023 – Oct2023

Completed an intensive JavaScript course focusing on core programming concepts, including variables, functions, and DOM manipulation. Developed interactive web applications using ES6 features, asynchronous programming, and APIs. Gained hands-on experience in problem-solving and debugging, enhancing coding proficiency for modern web development.

RESPONSIVE WEB DESIGN WITH CSS: A COMPLETE CSS GUIDE

Udemy. Udemy | Jul2025 – Aug2025

Completed a comprehensive course in responsive web design utilizing CSS, focusing on layout techniques, media queries, and styling best practices. Developed skills in creating adaptive and visually appealing websites across various devices, ensuring optimal user experiences and enhancing design functionality.

THE ADVANCED HTML5 COURSE

Udemy. Udemy | Aug2025 – Aug2025

Completed The Advanced HTML5 Course, gaining in-depth knowledge of modern HTML5 features and best practices. Engaged in hands-on projects that enhanced skills in semantic markup, accessibility, multimedia integration, and web application development, resulting in proficiency in creating responsive and user-friendly web interfaces.
